

The newest version of our platform takes less than 10 seconds for the customer to complete.

HIGH QUALITY EXCLUSIVE LEADS *Black Book*

Our Google-like predictive search functionality eliminates clicks and generates leads. With eAutoAppraise, your customer can quickly and easily value their trade, get pre-approved, and select their replacement vehicle all in a matter of seconds. The customer spends less time in the dealership, makes a purchase, and your facility has exceeded their expectations.
